Technology

2

Pre-Visit
Preparation

Leadership
survey
Intercultural
understanding
School research
Group Dynamics

3

Visit

7 Schools
Development of
intercultural
understanding
Meeting with
various
stakeholders

4

Post Visit

Daily debriefs
Impression
surveys
Robust data
capturing

5

Completion of
Vision

Presentation to
community
Invitation to join
Development of
vision
Sharing with SLT

Design Visit Quick Facts

Leadership

Leadership & culture are critical - be unapologetic about what we believe in

Integrated

Opportunity for Design and Design Thinking to be integrated across the curriculum

Authenticity

Solving authentic problems drives student learning, and results in authentic solutions

Singapore/Bangkok Trip Key Learnings

Community

Leveraging the knowledge and expertise of the community

Experiment

Opportunity for students to experiment outside of the curriculum is critical in building time for play and the development of passion

Affirmation

Affirmation that our pillars will allow us to become global leaders
